October 2019

Dear Potential Field Sponsor,

The Texarkana United Soccer Association is looking for sponsors to help fund the Jared Beach Scholarship program. Each year, TUSA grants nearly \$8,000 in scholarships, allowing over 100 kids to play soccer who would not otherwise be able to play.

We are looking for local businesses who will consider a **\$400** field sponsorship at Grady T. Wallace Park. The sponsorship will be for two full seasons (one year). The sponsor's logo will be placed on the back of both goals on their sponsored field and on our website, and their name will be included on the online schedule.

We are fortunate to have a great partnership with the Texarkana Parks Department. Together, we have made substantial progress in developing our facilities. We are committed to continuing to improve our complex and program for the community's benefit.

TUSA is a 501(c)(3) organization that provides over 2,000 children a year the chance to play soccer in our community. If you'd be interested in partnering with us, please contact Andy at 903.908.1439, or simply fill out the enclosed Sponsorship Form and mail to the address listed above, along with a check made out to TUSA (with 'field sponsorship' on the memo line). Your gift is tax deductible.

Please also e-mail a jpeg or pdf of your business logo to registrar@texarkanasoccer.com

Thanks for your consideration in assisting the Texarkana United Soccer Association and providing recreational benefit to the children in our area.

Sincerely,

Andy Tuttlebee, Registrar and Administrative Coordinator
